1. Go time is 6:30pm every night. Line up any time after 5pm along 200N.
2. There is a \$20/night per entry.
3. No entrance forms are required.

4. The nature of the business and the parade entry should be family oriented. We reserve the right to deny participation for any inappropriate entry.
5. Entries without theme, purpose or decoration are discouraged.
6. Show up at the intersection of 200 North and 100 West.
7. Community entries line up on 200 N Eastbound into that intersection.
8. Businesses line up on 100W Northbound into the intersection.
9. Livestock entries line up on 100W Southbound into the intersection.
10. We must leave openings between entries for emergency vehicles and residential access. We cannot block driveways.
11. THINK SAFE....If your entry has anything to throw make sure all of the candy is thrown way beyond the orange lines and over the kids' heads.
12. If you are pulling a trailer an adult needs to be walking alongside the rear axle and in communication with the driver.
13. NO WATER. A lot of phones are not water resistant and people won't want to sit through the rodeo with wet clothes,
14. Horse riders must have a saddle and proper footwear and must be experienced. Animals need to be able to handle the lights, noises, sights and unpredictable nature that can and will be present during the staging of the parade, the parade itself, and the post parade atmosphere. We do not want any injury to either spectators or parade participants.
15. There are risks and hazards with participating in That Famous Preston Night Rodeo Parade. By participating in this parade you assume all risks and liabilities for your own participation and those that participate in your entry party.
